PRESS RELEASE

The Council of State (*Consiglio di Stato*) suspended the decision issued by the Lazio Administrative Tribunal on March 2, 2018

Zola Predosa (Bologna), April 6, 2018 – Following its previous press releases issued on June 16, 2017, July 13, 2017 and March 2, 2018, **Manutencoop Facility Management S.p.A.** ("**MFM**" or the "**Company**"), announces that it was informed today that the Council of State (*Consiglio di Stato*) on April 5, 2018, suspended the decision of the Lazio Administrative Tribunal (the "**TAR**") issued on March 2, 2018, which had rejected Company's appeal against Consip's resolution to exclude the Company from the tenders for "barrack cleaning" and "public hospital cleaning" (the "**Decision**").

Therefore, both the execution of the Decision and all its effects are suspended, and the hearing on the merits of Company's appeal will be held on June 28, 2018.

MFM remarks that, since the aforementioned tenders have not been awarded yet, neither of them currently generate revenue or is included in the Company's backlog. Furthermore, the Decision *per se* does not prohibit MFM from participating in and being awarded future tenders arranged by Consip or any other public authorities. In addition, the Decision *per se* does not affect the validity of any other current tender procedures.
