PRESS RELEASE

Manutencoop Facility Management officially becomes Rekeep S.p.A.

After the registration with the Companies' Register of Bologna, the new corporate name becomes effective

Zola Predosa (Bologna), July 2, 2018 – Following the press releases published on 9 May and 25 June 2018, it is hereby announced that the minutes of the extraordinary meeting of shareholders of Manutencoop Facility Management S.p.A., approving the new corporate name ("Rekeep S.p.A."), have been registered today with the Companies' Register of Bologna. Therefore, the new corporate name is effective as of today.

As a result of this change and the merger by incorporation of CMF S.p.A. into the Company, effective on 1 July 2018 (as announced by CFM S.p.A. in the press releases of 4 April 2018 and 12 April 2018, 14 and 29 June 2018), originally named "CMF S.p.A. €360,000,000 9.0% Senior Secured Notes due 2022" and following the merger renamed "Manutencoop Facility Management S.p.A. €360,000,000 9.0% Senior Secured Notes due 2022", the notes (ISIN Code XS1642816554 and XS1642818337), issued by CMF S.p.A. on 6 July 2017 and admitted to listing on the multilateral system Euro MTF Market managed by the Luxembourg Stock Exchange and on the ExtraMOT Pro Segment managed and organized by the Italian Stock Exchange, will be renamed starting from today "Rekeep S.p.A. €360,000,000 9.0% Senior Secured Notes due 2022".
The new corporate name is part of a broader plan to foster the identity of the Company and it defines the new governance with Manutencoop Società Cooperativa, since last October, as the sole shareholder, holding 100% of the corporate capital.

Furthermore, the project of new brand identity is part of an overall redefinition of the organizational system - which aims at enhancing the growth of the Company, by promoting internal resources and strengthening the role of junior employees as well as fostering female representation at the top management level, besides being more suitable to the growth path of the Group into foreign markets, already successfully started by the transactions in Turkey and in France.

The name Rekeep springs from the union of the prefix "RE", the intention here being to stress a new beginning following the projection on the world stage of the Company, and the word "KEEP" for its meanings of hold, maintain, preserve, continue, which are immediate associations with the mission of the Group that "takes care" of the quality of the environment people live in order to improve their quality of life as a whole. And so it is a name conceived for an international audience, a simple and direct 'sound' which has a friendly and at the same time a self-confident ring.

Furthermore, the new name is represented in a contemporary font, the letters composed only in lower case in order to emphasise the direct tone the Company wishes to give its entire organisation. The colour chosen is green, which renders an idea of cleanliness and efficiency; the trademark accompanying the logo is an open hand whose fingers, also owing to the shade of yellow used, evoke

the rays of the sun. An instant symbol whose intention is to project into the future an eighty-year old story, put together by hands that work and minds that take care of people and their environment.
