Rekeep S.p.A.: The Board of Directors approves some modifications to its organisation chart which have the aim of further enhancing the effectiveness of its business processes.

Zola Predosa (Bologna), 6 February 2019 – **Rekeep S.p.A.** ("**Rekeep**"), formerly Manutencoop Facility Management S.p.A., the leading company of the main Italian integrated facility management group, announces that its Board of Directors has approved some modifications to its organisation chart which gives the Chairman and CEO, Giuliano Di Bernardo, additional business responsibilities.

The modifications, in detail, are the suppression of the role of General Manager, changes in the structure of the Sales & Process Design department and the creation of the position of Business Coordinator. The purpose of the changes is further to enhance the effectiveness of business processes ranging from promotion and commercial offers to the operational management of the services acquired.

As a result of the resolution, therefore, the Human Resources & Organization, Procurement, Marketing & Innovation, Business Digital Solutions, Sales & Process Design **departments** will also report directly to the Chairman and CEO, Giuliano Di Bernardo, as will all the other Operations areas which previously reported to the General Manager, Andrea Gozzi.
Mr Gozzi will continue his professional career in the Group in a different position.
