PRESS RELEASE

The Rekeep Group enters the Portuguese market by acquiring 60% of Euromex Facility Services: Rekeep Portugal is born

- **Euromex Facility Services, which simultaneously takes on the new company name Rekeep Portugal, is a Portuguese company operating in the facility management sector, and specializing in hygiene and cleaning services for healthcare buildings;**
- **Through this transaction, the Rekeep Group strengthens its international positioning, exporting its know-how in the healthcare sector.**

Zola Predosa (Bologna), 26th January 2026 – The **Rekeep Group** ("**Rekeep" or the "Group"**), the leading Italian group operating in the Integrated Facility Management sector, announces the acquisition, through its subsidiary Rekeep World, involving **60% of the share capital** of the Portuguese company **Euromex Facility Services Lda ("Euromex" or the "Company")**, which operates in the facility management sector and specializes in hygiene and cleaning services for healthcare buildings.

Following the acquisition the Company will then take on the new company name Rekeep Portugal Lda, and **Ricardo Cerqueira**, **Chief Executive Officer and significant shareholder of the Company with a 40% stake, will retain his role** while **Federico Gandino**, General Manager of Rekeep World, will take on the office of **Chairman**.

Founded in 1991 and based in Porto, the Company is one of the leading operators in the sector in Portugal, thanks to its established specialization in services for public entities and healthcare facilities, with long-term relationships with some of the major hospitals in the country. In the 2025 financial year, the Company, which employs **approximately 3,000 people**, recorded **revenues of approximately Euro 30 million**, 80% of which came from contracts with public entities, and 20% from the healthcare sector.

The transaction is a further milestone in the Group's international growth and development, continuing its strategy of expansion in key foreign markets through partnerships with local companies with strong regional roots, a highly-regarded management team, and specific expertise in facility management, as well as through winning public and private tenders. Furthermore, the entry in the Portuguese market further strengthens the Group's international positioning, which at present already generates approximately 25% of its consolidated turnover abroad, and enhances its footprint in the healthcare industry, which is a key business segment characterized by high quality, organizational, and technological standards.

Claudio Levorato, ***Chairman of Rekeep S.p.A.***, commented: "*This transaction is a further step forward in the international growth of the Rekeep Group, and confirms the effectiveness of our development model, based on exporting Italian expertise in facility management. Portugal is a market with very interesting characteristics, particularly in the healthcare sector, where our*

experience and organizational know-how can bring significant added value. As we have done in other countries, we intend to work closely with local management in this case too, leveraging their expertise and supporting them with the planning and control capabilities developed by our Group in over 80 years of business."

As part of the transaction, the **Rekeep** Group was assisted by **EY Parthenon** for financial and tax due diligence, and by **Abreu Advogados** law firm for legal issues and the drafting of the investment agreement. **Euromex** was assisted by **PwC M&A Advisory** for the financial matters of the agreement, and by **Cuatrecasas Sociedade de Advogados** law firm for legal issues.

Rekeep S.p.A.

Rekeep S.p.A. is the leading Italian operator and one of the main European players in the Integrated Facility Management sector, i.e., it manages and provides integrated services targeted at properties, the environment and in support of healthcare services. From plant management to cleaning, from green care to maintenance and energy retrofit of buildings, to specialist work for clinics and hospitals (laundering and sterilization), Rekeep provides a wide range of ancillary services to the core business of large private groups, public entities and healthcare facilities. Building on its know-how in the energy field, it has also been operating for years in the area of energy retrofit of properties, providing its customers with solutions for reducing emissions and consumption. Rekeep's headquarter is located in Zola Predosa (Bologna), operating offices in Poland, France, Portugal, Middle East and Turkey, and employs approximately 26,000 people in Italy and abroad.
